

Data Processing Agreement

Appendix 2: Processors

Status: Version: 1.9, 19.07.2024

Contact person: Matthias Menne, data protection officer onOffice GmbH

Telehouse Deutschland GmbH

Telehouse Deutschland GmbH runs the data processing service centre, which houses our application and database servers.

The data processing centre is certified according by BS ISO/IEC 27001:2013.

Back-ups are stored in rooms rented by Telehouse Germany in a data center operated by Equinix (Germany) GmbH in Düsseldorf.

Neither Telehouse nor Equinix process data on behalf of onOffice GmbH.

TIPICREA SARL

In cooperation with onOffice TIPICREA SARL provides a tool for the synchronisation of address and appointments between several applications and onOffice enterprise. Address data is therefore transmitted to TIPICREA.
